

USD #417 Staff Members,

Bloodborne pathogen training is required by state law on an annual basis. Below you will find the instructions to complete the required courses to bring you into compliance with bloodborne pathogen training. **You do not need to “register” again if you have previously completed the registration process with USD #417.** Please print the completion certificate when finished and keep it for your record. I will receive a list from the company of those who complete the training. Please see me if you have any questions or concerns after watching the videos. ****This must be completed before the start of the school year.****

Register for Bloodborne Pathogen Training Online
(if you’ve never registered before ONLY)

1. Go to website: www.myinfinitec.org
2. Click on “Register” in upper right hand corner of screen
3. Fill in all requested information
-Choose Morris County- USD 417 on the “District / Co-op” drop-down box
4. Your password to log in to this site in the future will be sent to your email (check your inbox and spam folder)

Bloodborne Pathogen Training

1. Go to website: www.myinfinitec.org
2. Click on “Sign-in” at the top right side of the screen
3. Sign in with your own username and password
4. Go to “Online Classroom”
5. Choose the “Resource” drop down list (located below the video player box)

7. Watch the video and take the quiz on the following:
“Bloodborne Pathogens” on page 2 (video is 16:07 minutes)
8. You must achieve 80% or greater to pass the quiz

Hepatitis B Vaccination

USD #417 covers the cost that your insurance does not for the Hepatitis B vaccine series for any employee in the district who has occupational exposure and falls within Category I of the exposure determination. Those employees include the following:

Principals, custodians, coaches, district nurse, nurse’s aide, teacher aides, building secretaries, physical education teachers, and district personnel who work with pre-school and developmentally delayed children.

If you are one of these employees, please see me for the appropriate form to sign.

Thank you,
Dana Reddick, RN
District Health Nurse
