Consent Agenda

Patron Forum: The board appreciates patrons taking time to talk to us about our policies and procedures. We set aside this time every meeting to hear from the public. Your comments should be directed towards board policies or the procedures our administrators establish to carry out those policies. This is not an appropriate time or place for patrons to make comments of a personal nature about any district employee or student, or to try and sell a product or service. Persons interested in doing business with the district need to make an appointment with the appropriate administrator. Persons making comments which violate the privacy right of district employees will be asked to terminate their remarks. If a patron or parent has a concern with one or more employees the board will refer that person to the appropriate administrator or the superintendent. If the board refers your concern to an administrator for investigation the board will follow-up at a future meeting and you can expect the superintendent or another district employee to make arrangements to meet with you at the appropriate time. Thanks again for taking your time to discuss district business with the board.

Reports: Administrators send their monthly reports via email. Any further additions will be reported at this time.
