Definitions and notes:

Bold font above indicates assessment that all students take.

Accuplacer – entrance exam for Technical or Community colleges

ACT – used as entrance exam for 2 or 4-year college bound students. 9th Pre ACT includes predictive ACT information.

KAP (State Assessment) covers all academic subjects. 10th KAP includes predictive ACT information.

cPass Pathway-Specific assessments are for CTE Pathway “Completer” senior students in Agriculture, FACS, or Business

WorkKeys - measures the workplace skills that can affect job performance

KELPA – measures language acquisition for reading, writing, listening, speaking
