

After School Activity Bus PERMISSION FORM

The Board of Education has designated the following locations as bus stops for after school activity buses for the current school term:

West/South Route: Wilsey Main Street (by library) Wilsey Corner, Cottonwood Corners, Dunlap Fire Station, and the Delavan Community Building

PLEASE COMPLETE THE FOLLOWING SECTION and return this form to the district office at mweaver@cgrove417.org or at 17 Wood Street in Council Grove if you wish to have your child unloaded at the stops below, which require parental consent.
