We discussed possibly adding email and/or School Reach under item three as other ways that we try to communicate with families. On item 7v we discussed that we sent home activities that parents could do after they went through PreK screenings that went with the Dial-4 assessment for Language, Concepts, and Motor skills.
4. PTO
 - a. Still plan to do meetings on Monday nights for next year in the evening, and we still plan to do fewer meetings like we did this past year with there only being one meeting every other month. Would like to have our first meeting of the next school year on August 8 at 6pm. It was discussed to still offer virtual and in person as an option to join in on the meetings as well for next school year.
 - b. Kindergarten and Sixth grade field trips PTO help cover \$4 a person. \$50 was used from the boxtop fund to help with the Sixth grade step up day for their snacks. Check still needs to be completed for Third grade to help cover part of the cost of their field trip.

- c. Teacher appreciation will be talked about in a later private meeting, Heather said she would print out a list of teachers to give to Ashley.
- d. Laverne from the Assisted Living asked to try to get a magician in for the school to watch. PTO will help cover part of the cost of \$175. May 11th and 2pm is when the Magician will be at the school.
- e. We would like to converse with PTO board members and class representatives to see if they would be willing to continue their positions next year, or if we would need to fill open positions.
