

WHAT IS BOOSTER CLUB?

The Council Grove Braves Booster Club is a non-profit organization dedicated to promoting positive parent and community involvement in the support of the Braves athletic and non-athletic programs. This involvement consists of both volunteer service and financial support to assist coaches, sponsors, teachers and administrative staff.

We will achieve these goals by organizing fundraisers through memberships, merchandise sales and activities. This will enable the Booster Club to purchase items to enhance all students, teams, clubs and assist in building Pride and Spirit in Council Grove Junior-Senior High School.
