LEDA Policy regarding student activities on holidays.

To be placed in the Coaches/activities handbook in the section "VII Practices"

Holiday Practice/Activity Limitations for USD 417

- New Year's Day* - No Practice/Activity to be held; No open gyms.
- Martin Luther King, Jr. Day - Coach's/Sponsor's discretion
- George Washington's Birthday - Coach's/Sponsor's discretion
- Memorial Day - Coach's/Sponsor's discretion
- Independence Day - No Practice/Activity to be held; No open gyms
- Labor Day* - No Practice/Activity to be held; No open gyms
- Columbus Day - Coach's/Sponsor's discretion
- Veterans Day - Coach's/Sponsor's discretion
- Thanksgiving Day - No Practice/Activity to be held; No open gyms
- Christmas Day - No Practice/Activity to be held; No open gyms

** These holidays are ones that fall in a manner that families may take extended vacation time. These are also holidays that fall within a sport/activity season where events may be scheduled within a day or two of the holiday and it does serve the "team/group" to be able to hold a practice in preparation for that event. In this case, the coach/sponsor may ask the Athletic/Activities Director for permission to hold a practice on this holiday. If permission is granted but a student is unable to attend due to a family obligation, there is to be no repercussion toward the student including having to "make up" conditioning, i.e. conditioning.*

Definitions -

No Practice; No open gyms - Coaches/Sponsors will not schedule a practice and they will not open a gym for students. Coaches/Sponsors are not to make arrangements with athletes/students to hold an informal practice or open gym elsewhere.

Coach's/Sponsor's Discretion - These holidays typically occur during a specific sport/activity season during the school year. Typically school is in session or there is a professional development day on these holidays. For those coaches/sponsors whose sport/activity is in season, they may schedule practice on this holiday. If there is a conflict with a family event on this day and a student is unable to attend due to a family obligation, there is to be no repercussion toward the student including having to "make up" something, i.e. conditioning.
